

Read to Grow, INC.
providing books for children...

CT GFOA Book Drive - Thursday 11/02/2006
Aqua Turf, Southington CT

Sharing the joy of reading is a life-long dialogue, evolving day by day as each of us grows

Books and more books ... We need more books. On Thursday, November 2nd, at our quarterly meeting, CT GFOA is hosting a book drive to collect new or gently-used children's books (for infants through 8th grade) for Read to Grow, a non-profit organization dedicated to promoting family literacy and the joy of reading through a variety of programs.

Prior to the start of our meeting, a Read to Grow Book Bin will be set up at the Aqua Turf for book collection. Simply bring your new and gently used books with you and drop them off in the Read to Grow Book Bin. Read to Grow will take care of the rest. Through Read to Grow's various programs and partners, the books will be distributed to children in doctors' offices, health-care clinics, hospitals, community dining rooms, shelters, and schools serving communities in need.

Books should be for infants and children through 8th grade and in good shape, without torn pages or writing in them. Please, no textbooks, encyclopedias or coloring books.

Thank you for supporting this important literacy initiative!

Find out more about Read to Grow at www.readtogrow.org.

For many children, a book from Read to Grow is the first book that they have ever owned.
